

Dessert Buffets: Children's Packages

What is a Dessert Buffet?

Make a lasting impression by having a dessert or candy table at your next event! Enjoy a range of desserts to suit all your guests needs immaculately presented and set up by Cupcake Treats. Our desserts are sized so your guests can enjoy their favourite desserts in a few bites.

We need at least **four weeks notice** of any dessert buffet bookings (subject to date availability) and the full balance must be paid no less than seven days before the event (fourteen days for orders over \$500).

At the time of booking a **25% non-refundable deposit** applies. Delivery charges apply for all bookings, charged at 50c per km.

For guest numbers over 50, we prefer to have an in-person consultation to better understand your vision for the event!

We know children have different tastes so we've put together a range of simpler party packages just for them with children (and parent) friendly desserts. We'll work with you on theme matching for your party! They also include a cutting cake for candles, which you're able to upgrade to a centrepiece cake.

Any item can be substituted for something else, or quantities are able to be increased, but please email us with the package you would like to start with and we can give you an accurate quote.

Why not combine a dessert buffet with a **Cupcake Decorating Party**? Pricing starts from \$20 per guest (four cupcakes each). Minimum of eight guests.
