

Dessert Buffets

What is a Dessert Buffet?

Make a lasting impression by having a dessert or candy table at your next event! Enjoy a range of desserts to suit all your guests needs immaculately presented and set up by Cupcake Treats. Our desserts are sized so your guests can enjoy their favourite desserts in a few bites.

We need at least **four weeks notice** of any dessert buffet bookings (subject to date availability) and the full balance must be paid no less than seven days before the event (fourteen days for orders over \$500).

At the time of booking a **25% non-refundable deposit** applies. Delivery charges apply for all bookings, charged at 50c per km.

For guest numbers over 50, we prefer to have an in-person consultation to better understand your vision for the event!

Note on Serving Sizes: It is easy to think you may not have enough desserts. In our experience, most dessert buffets are over catered, as after savoury food guests eat less dessert than anticipated.

It's best to have a wider range of desserts, but not to aim for serving one of each dessert per person. Most of our packages have 5-8 different desserts for a wide variety. If you think one particular dessert in the package will be more popular than others, we're able to increase and decrease quantities on request.
